Dear Parent or Carer

With the summer holidays fast approaching and parents/carers preparing for 'back to school' it seemed the ideal time to confirm again our uniform expectations.

In an effort to ensure that the school uniform is affordable and accessible to all parents/carers we can provide assurances that there are a number of uniform items which are unbranded and are available at a variety of retail stores including supermarkets. Please see list attached.

SCHOOL TIES

Each year group continue to have their own specific school tie. Year group ties will allow students to have a sense of belonging to their year group and also ensure the students are easily identified by year group.

- Year 7 September 2022 Gold stripe – to be bought as part of new uniform
- Year 8 September 2022 Red stripe
- Year 9 September 2022 Blue stripe
- Year 10 September 2022 Purple stripe
- Year 11 September 2022 Green stripe
- Sixth Form Black/White stripe

THE BLUE LINE

On entry into the college building students cross a 'blue line'. This marks the point from which all of our college expectations, including those on uniform must be met. Any student who is not wearing an appropriate item of school uniform / is missing an item of school uniform will be provided with a replacement by school for the duration of the school day. If the student refuses to wear the provided uniform item they will spend the day in referral. It is the responsibility of the parent/carer to ensure that all students have appropriate items of school uniform.
